To whom it may concern,

The Armstrong School District Foundation is in the process of organizing our 18<sup>th</sup> annual golf outing. Our goal is always to increase the amount raised from the previous year.

The money raised will support our mission to enhance and enrich the learning experiences of our students by encouraging and supporting the development of educational programs. These funds will support teacher grants, as well as, support our high school seniors with scholarships as they move to the post-secondary world.

I have included the golf outing brochure for your review. Sponsoring a team of golfers would help support our teachers and students as well as provide your company certain marketing rights during our outing. The brochure describes the benefits of each sponsor level with platinum status getting the most exposure for your company. We are also asking for items for our basket raffle. Items for the basket raffle could include gift certificates, marketing supplies or a completed basket. Please consider sponsoring a team or donating to our basket raffle.

Thank you in advance for your support!

Sincerely,
