The Armstrong School District Foundation is a charitable, 501c3 non-profit organization whose mission is to expand educational opportunities for the students of the school district.

The ASDF has been able to utilize monies to honor creative and innovative teaching grants in the areas of STEM, music and technology. Our hopes and dreams are to continue such terrific programs that rely on your help.

To raise much-needed funds the Foundation is sponsoring its 16th annual golf outing. Your business—as a vendor for the Armstrong School District or as an established local business—is cordially invited to participate in this, which will no doubt be a repeat performance of past successful and enjoyable golf outings. We would like to give you the first opportunity to become one of our premier sponsors. This would give you the advantage of having your business name promoted as a sponsor for our golf outing and auction. Also, we would like to encourage you to golf, enjoy lunch and dinner, and socialize at the outing.

THANK YOU TO OUR PAST SPONSORS
