The Armstrong School District Foundation is a charitable, 501c3 non-profit organization whose mission is to expand educational opportunities for the students of the school district.

The ASDF has been able to utilize monies to place an iPad cart in each of our districts primary buildings over the last few years, and our hopes and dreams to continue such terrific programs rely on your help.

To raise much-needed funds the Foundation is sponsoring its twelfth-annual golf outing. Your business—as a vendor for the Armstrong School District or as an established local business—is cordially invited to participate in this, which will no doubt be a repeat performance of last year’s successful and enjoyable golf outing. We would like to give you the first opportunity to become one of our premier sponsors. This would give you the advantage of having your business name promoted as a sponsor for our golf outing and auction. Also, we would like to encourage you to golf, enjoy lunch and dinner, and socialize at the outing.
